Message from the Chair:

February means F-Fund Raising, E-Events, B-Breeding R-Registrations, U-Unite against silvers, A-A.I., R-Ribbons (winners), Y-Yellow Labrador Puppies – not necessarily in that order! Dare the groundhog to see his shadow, browse through garden catalogues and dream of beautiful flowers that will be eaten by new puppies. It's probably better to read photography magazines and get material for a photo contest anyway. It's fun to meet friends at shows and find out who's breeding who to whom. Mentally you are wondering if your marriage can handle just one more Labrador from that breeding. So instead make your travel reservations to attend the Nationals in beautiful Atlantic Canada. See what the Maritimes look like in the spring! I dare ya – Go find out what a Blue Noser or a Herring Choker is.

If your Labrador has points toward this title you have until December 31, 2013 to finish it.

SELECT DOG/BITCH (Specials Only Class)

Effective January 2013 (not retroactive) – new award
 After awarding Best of Breed, Best of Opposite Sex and Best of Winners in each Breed, the judge will choose a Select Dog and a Select Bitch if there are dogs in the ring eligible for these awards. The Select Dog and Bitch must be awarded in the Special Only Class. The dog and bitch selected must be champions and cannot be the Best of Breed or Best of Opposite Sex winners. At Speciality Shows Select Dog and Select Bitch will automatically receive an Award of Merit.

GRAND CHAMPION (GCh)(Specials Only Class)

The title of Grand Champion may only be earned after the completion of the Conformation Championship and do not include the points earned in attaining the Conformation Championship. All required points are to be earned at breed level.

To be awarded a Grand Champion title, a dog must attain a minimum of 20 points which must include one Best of Breed and a minimum of two wins of at least two points each.

Points awarded to Select Dog/Bitch will be calculated based on the number of animals defeated at the breed level for the Best of Breed Winner and the number of similar sex dogs defeated for the other three (Best of Opposite Sex, Select Dog, Select Bitch). The following schedule shall be employed in the determination of points awarded as follows:

Dogs Defeated					
Points Allocated					
1	2	3-5	6-9	10-12	13+
0	1	2	3	4	5

Grand Champion Titles will not automatically be awarded by CKC.

The title of Grand Champion shall not be awarded retroactively and all points towards this title must be achieved after the date of January 1, 2013.

Points have to be recorded by the owner and submitted for CKC's verification and awarding of the title.

GRAND CHAMPION EXCELLENT (GChEx)

This Title can be earned only after completion of the CKC Grand Champion title. Points for this title may be accumulated at any time after the completion of the CKC Championship title and do not include the points earned in attaining the Conformation Championship. A minimum of 100 points which must include one Best In Show or a Best of Breed at a Breed National Speciality (where a minimum of ten dogs have competed) or a Best in Multiple Breed Specialty with at least five breeds represented plus three group firsts or three Breed Specialty wins must be earned at Conformation shows.

Grand Champion Excellent Point System:

- 10 points – Best in Show or Best in National Specialty Show or Best in Multi Breed Specialty Show
- 5 points - Group 1st or Best in Specialty
- 4 points – Group 2nd or Best of Opposite Single Breed Specialty Show
- 3 points – Group 3rd
- 2 points – Group 4th

(Note: no points are acquired if no other dog is present in the group)

- 1 point – Best of Breed

(To earn the Breed point, at least 5 dogs must be shown at breed level)

Only the highest points earned at a single show are carried forward. For example, a dog that wins First in Group and then wins best in Show, earns 10 points not 15.

Additional Requirements:

A dog must have been awarded a Grand Championship title before being awarded a Grand Champion Excellent Title.

To attain a Grand champion Excellent title a dog must have been awarded a CKC performance title from any CKC event. A CGN or Herding Instinct Certificate is not considered a performance title for the awarding of this title.

The title of Grand Champion Excellent shall not be awarded retroactively. However, dogs that have been awarded the Grand Champion title prior to January 1, 2013 will be awarded the Grand Champion Excellent Title on application to the CKC.

If you think dogs can't count, try putting three dog biscuits in your pocket and then give him only two of them.
